

We are SO excited to see our kiddos smiles this **Friday, September 11th at our Drive-Thru Photo Day!** A few reminders and things to know:

- Remember this is a masked and socially distant event for all.
- Please remember to arrive at your scheduled time and drive slowly through the school area and side streets.
- The booths will be set up on the Park Side curb on Dutton Ave., in the bus loading zone. All cars must be driving southeast on Dutton, toward the stop light.
- First stop is the Pick-Up Station. Your teacher may or *may not* have materials to be picked up.
- Next stop is the Photo Booth. If you are a family with multiple students at Park Side, pick *one* student's grade level window and bring them all to be photographed in that time window.
- Only the child(ren) being photographed will be getting out of the vehicle, on the passenger side. Only students from West County Consortium will be allowed to have a parent/family member exit the vehicle to assist them with their photos.
- Once seated in the photographer's chair, your child(ren) will be asked to remove their mask briefly to take the photo, and then will be asked to put it back on – this might need practicing at home!
- Once the student is returned to the vehicle, you are asked to exit the drive thru and proceed to the stoplight.
- Sorry, but due to COVID-19 there will be no paper order forms this year - everything is online. Please [use this link to PRE-ORDER](#) your photo prints *prior* to photo day. This is our third year using our amazing photographer, Brenda Hawkes, of [Hawkes School Portraits](#). She does a beautiful job - you won't be disappointed! Once our photos are ready, proofs will be emailed home to everyone. Those families that pre-ordered will receive the proof, as well as have their prints mailed immediately via USPS straight to their home. If you do not wish to pre-order, and choose to wait until you see the digital proof, you can do that, too, it will just take a little longer to get your photos.
- Class photos will be done by composite this year.
- If you can't make it to this Friday's picture day, we will have one more make-up/retake day in October. But we hope to see you all on Friday!
