*Add New Parenting
SKILLS to your
parenting toolbox*

Subject: It's not your job to make your child happy... ???

The link between families and positive behavioral interventions and supports (PBIS) is an important one. When families are meaningfully involved in educational activities their children do better in school. Families play an important part in their child's education and social development. Sebastopol Union School District is offering a supportive learning opportunity for parents to develop more skills for successful parenting.

*Build a Community:
Network and brainstorm
with other parents*
